

## CURRICULUM ADDRESSING CROSS-CUTTING ISSUES

Sri Venkateshwaraa Dental College effectively integrates cross-cutting issues in curriculum relevant to gender, environment and sustainability, human values and professional ethics and leads to a strong value-based holistic development of students. Various activities are organized throughout the year as part of the curriculum that helps in this endeavor

### GENDER RELATED PROGRAMS:

- Women's day Celebration
- Off stage events
- Oral Hygiene awareness camp(Narikorravar Community)

The institution has policies in place to sensitize its community on issues relevant to gender. Women's Cell is functioning in the institution to isolate, identify and conduct programs, events webinars, community camps and redress gender specific issues faced by the women in the institution. The institution actively promotes programs on Cancer, woman's health & International Woman's day

### ENVIRONMENT AND SUSTAINABILITY:

- Radiographic Waste Disposal Management
- Sewage Management
- Biomedical Waste Management
- Ban Plastic Program
- Green Campus Program

Environment awareness is inculcated in students. Environment day is celebrated with enthusiasm. Go green initiatives, reduction of plastic use are practiced in the institution. Tree plantation programs have also been initiated. The college strictly follows government rules for disposal of bio waste. Segregation of waste is done before disposal using the available color coding. Rain water harvesting is available to reuse the stored rain water for future needs. Waste water recycling is done in the campus which is treated and reused for various purposes. Various programs are conducted to contribute in Swachh Bharat activity and undertake cleanliness drive. The following courses address Environment sustainability:- Public Health Dentistry

Ariyur, Puducherry - 605 102

## HUMAN VALUES AND PROFESSIONAL ETHICS:

- Introduction to communication skill
- COPRA
- Nutrition & Health
- Public Health & Hygiene
- Anti-Ragging & Professional Ethics
- Dental Ethics
- Career guidance
- Dental Practice Management
- Behavioral management

Anti ragging committee has been constituted to handle the issues pertaining to ragging and is run by faculties of the institution. The committee remains active and alert throughout to ensure that not a single incidence of ragging creeps in the college or hostel and will adopt such measures as may be necessary to curb the menace of ragging. Any student can lodge a complaint in case of any inconvenient incident. Code of conduct and behavior expected from students is communicated on the day of orientation. Various committees have been formed in the institution and conducted events and lectures to address human values and professional ethics. Certain aspects and human and ethical values dealt in detail in various subjects like Oral medicine and radiology, Public Health Dentistry, General medicine, Orthodontics, Conservative Dentistry and Endodontics, Pediatric and Preventive Dentistry and Periodontics.

## HEALTH DETERMINANTS & RIGHT TO HEALTH:

- Tobacco Cessation Programs
- Radiation Safety hazards
- Public awareness camp on Oral Health
- Public Health Dentistry-No Tobacco Day
- Public Health Dentistry-World Oral Health Day
- Financial management in Dental Care
- Pedodontics: Handling Children with Special Needs

Issues related to right to health, health determinants and demographic factors affecting health care are incorporated into the curriculum of the course. Programs, camps and lectures addressing Health Determinants dealt in Pediatric & Preventive Dentistry, Public health Dentistry and Oral Medicine & Radiology
