Sub: Dental Treatment Camp for sanitary workers of Pondicherry municipality - Reg.

Ref: PSHS/NOHP/2022-23/003

Dear Sir,

With reference to the subject cited above, the NOHP – Puducherry has planned a mega dental treatment camp for the sanitary workers of Pondicherry municipality under National Oral Health Programme in collaboration with the government and private dental colleges of Puducherry & Recity Network India Private Limited. This event is planned on 12th August 2022 from 9.30 AM to 4.00 PM. Mobile dental vehicles are planned to be used for this camp.

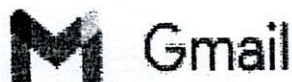

Hence, I request participation from your institution by providing man-power and material support for providing dental treatments like permanent filling, scaling, extraction, oral cancer screening etc., and help in spreading the awareness on oral health and so that maximum sanitary workers can benefit through this camp.

Looking forward to your active participation and support for making this camp successful. Please provide us with the contact details of personnel participating in the camp from your institution and a nodal person for further communications in this regard.

Thanking you.

Yours faithfully,

Dear Sir,

As per our discussion, we are pleased to inform you that we will be providing the following services on the day of the camp at a subsidized rate of INR.150 :

1. Consultation
2. Scaling (Cleaning of Teeth)
3. One filling

This is for your kind information and kindly confirm the same from your end at the earliest.

Dear Sir,

At the outset, we would like to convey our thanks to the management of Sri Venkateshwara Dental College for conducting an in-house camp at our factory premises.

This is in reference to our telephonic conversation, we would like to get further reduction in subsidized rate per person on the agreed tests.

We would be very happy if you could offer us Rs.100/- per person without altering the listed tests for our employees. Looking forward to hearing from you.

Regards,
Shajahan. A

Respected sir

With reference to your email dated on 17.05.2022, we are pleased to inform you that the management has agreed to provide the following services for **INR.100/-** per person as per your request on the day of camp at your campus only.

The services provided will be:

1. Dental checkup (consultation)
2. Gross scaling
3. One restoration (filling)

We thank you for giving us an opportunity to serve you. In addition, kindly provide us the tentative dates to conduct the dental camp.

Arayur, Puducherry

Sir,

Sub: Request for collaboration with NOHP for participating in the Walkathon and conducting IEC activities & awareness programs - on "World Oral Health Day - 20th March 2023" - Reg.

With reference to the subject cited above, the NOHP, Puducherry would like to collaborate with your esteemed institution to celebrate the "World Oral Health Day" commemorated on 20th March 2023. The Theme for this year is "Be Proud of Your Mouth."

This day is celebrated throughout India and around the world to spread the word to encourage as many people as possible to look after their mouths and protect their quality of life. Because an unhealthy mouth not only impacts general health, but it can have a severe impact on people's emotional, social, mental and overall physical well-being, and that's the reason we want to call on your organization to reach the community to spread the message for the year 2023, "Focus on the importance of caring for your mouth at every stage of life."

As per the directives of the MoH&FW, National Oral Health Programme, the NOHP Cell - Puducherry in collaboration with other national programs like NPCDCS, NTCP, RBSK, colleges and organisations, have proposed to conduct a 'Walkathon - Be Proud of your Mouth' on World Oral Health Day. The event is planned to be flagged off from Gandhi Statue, Beach Road at 7.00 AM on 20th March 2023.

In order to make the event more impactful I solicit your active participation and support of your institution. In this regard I request you to motivate 50 students from your institution to participate in this event with necessary IEC materials in the form of placards, banners, pamphlets etc. on oral health.

It is also planned to create awareness in all the government offices, health centres, institutes and other common public places by means of posters designed by students on the theme for World Oral Health Day. Hence, we request your institution to conduct a poster / drawing competition for the students before 28th of March to facilitate distribution of these posters to the various premises mentioned above.

Additionally Dental Education and Awareness Activities, dental camps, two-minute dental awareness short film competition, slogan competitions or any other innovative campaigns like flash mob also may be planned for the benefit of the public for creating awareness on their oral health. The events and activities may be planned from 15th March 2023 to 15th April 2023 to commemorate World Oral Health Month and the report may be shared for forwarding to the Ministry of Health & Family Welfare, GOI. An E-certificate will be provided for all the participants. Hence, I would request your co-operation & support to jointly make these events a grand success.

Yours sincerely,

(Dr. Kavipriya, O)

Dear Sir/Madam,

Warm greetings!

Our Ramachandra Educational Trust was started with the sole ambition of inculcating into the heart of the people the necessity and importance of education. The ambition of the trust are set forth on the basis of the great visionaries like Dr. A.P.J Abdul Kalam who had succeeded in our nation building. In the same way our SVCET also boosting up the younger generations to become a great Innovators, Scientists and Entrepreneurs.

World is transforming everyday our college takes increased responsibility to transform the traditional curriculum to meet the 21st Century skills like creativity, critical thinking, collaboration and communication. A global trend can be seen in curriculum actualization and new activities being organized for school students which have been developed in collaboration between schools and colleges in order to inculcate the students and keep them motivated for courses and career. We are happy that our Sri Venkateshwaraa College of Engineering and Technology has planned to conduct various activities to endeavor the greatest values of human life and inculcate the will to attain progress and prosperity in life. As a continuous process of our action, we the SVCETians with the cluster of community and human services have covered several aspects like adoption of village for intensive development work, mass tree plantation, technology transfer programmes, technologies for rural development, various technical training programmes for self help groups and youth etc. We extend our education to the young minds outside our campus, in this connection, we reach your esteemed institution to do all these things in a successful manner to your students. Also, we have conducted various activities like motivational classes through resource persons, stress relieving and psychology classes during last academic years.

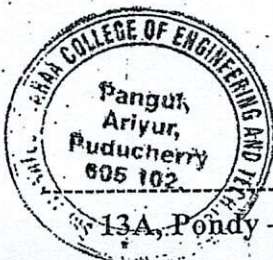

1. Innovation, startup and Entrepreneurial Development Classes
2. Personal Hygiene Classes
3. Stress relieving and Psychology classes
4. Medical Camp
5. Dental camp
6. Motivational classes through resource persons
7. Personality Development programs
8. Free Tree Plantation through Dr.A.P.J.AbdulKalam's Eco Club (Awareness Programmes)

This Academic year also we have planned to conduct the above-mentioned activities. For which, we need your support and permission. Kindly inform your comfortable date and timing to execute the program which you prefer for your students.

Thanking you Sir/Madam,

Yours truly,

Dear Sir/Madam,

World No Tobacco Day (WNTD) is observed around the world every year on 31 May. This yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what the World Health Organization (WHO) is doing to fight against the use of tobacco, and what people around the world can do to claim their right to health and healthy living and to protect future generations. This year's theme for WNTD is "**We Need Food, not Tobacco**".

In this regard, the State Tobacco Control Cell, Puducherry has planned a walkathon on 31st May 2023 at 8 AM with the help of medical and dental college students. The Walkathon will start from Kamban kalai Arangam and end in Gandhi Statue (Beach Road). Thereby requesting you to kindly participate in the walkathon along with your students to create greater awareness among the public on the harmful effects of tobacco use. Also, participation certificates will be issued for all students who are participating in the walkathon.

Thanking you
