

sri venkateshwaraa Dental College

KNOWLEDGE IS POWER

(Recognized by Dental Council of India - Affiliated to Pondicherry University)

Vision of the College

To emerge as a dental school of excellence by imparting necessary skills through experienced faculties and futuristic clinical/laboratory facilities and prepare globally competent students, along with fostering the seed of good values and quest for ethical research, thereby contributing to the overall nation building process.

Our Mission

- To ensure quality dental education and standard of dental care to the students.
- Impart competency-based and learner-centered education through appropriate methodologies.
- Provide a wide range of such “Value-added” courses for students’ curricular enhancement.
- Provide excellent infrastructure, learning resource for imparting quality education.
- Provide opportunities and encouragement to interested students to participate in outreach and social activities.
- Establish collaboration with other reputed national and international institutions for sharing research facilities and undertaking collaborative research.
- Promote a ‘research culture’ among faculties and students by providing advanced research and laboratory facilities.
- Motivate faculties to be in abreast with latest trends in dentistry by providing opportunity for faculty development and continuing dental education programs.
- Educate the society on importance of Oral health.
