

CURRICULUM ADDRESSING CROSS-CUTTING ISSUES

The curriculum at Sri Venkateshwaraa Dental College skillfully incorporates cross-cutting topics related to gender, sustainability and the environment, human values, and professional ethics, which results in a strong, value-based, holistic development of students. To aid with this effort, the curriculum includes a number of events that are planned throughout the year.

<p>GENDER RELATED PROGRAMS:</p> <ul style="list-style-type: none">• Women's day Celebration• Off stage events• Oral Hygiene awareness camp	<p>The organization has policies in place to raise community awareness of gender-related concerns. The institution's Women's Cell works to identify, isolate, and carry out events, webinars, community camps, and programs that address gender-specific concerns that the women at the institution confront. The organization actively supports initiatives related to International Women's Day, women's health, and cancer.</p>
<p>ENVIRONMENT AND SUSTAINABILITY:</p> <ul style="list-style-type: none">• Radiographic Waste Disposal Management Sewage Management• Biomedical Waste Management• Ban Plastic Program• Green Campus Program	<p>Students are taught about the environment. People commemorate Environment Day with great fervor. The university uses ecological initiatives and reduces the use of plastic. Programs for planting trees have also been started. The college disposes of biowaste in accordance with regulatory regulations. Prior to disposal, trash is separated using the available color coding. The ability to harvest rainwater allows for the future use of the stored water. On campus, waste water is recycled, cleaned, and used again for a variety of purposes.</p> <p>Numerous initiatives are carried out to support the cleanliness push and Swachh Bharat initiative. Environmental sustainability is covered in the following courses: Public Health Dentistry</p>
