S. No.	Parent's Feedback	Action Taken	Outcome Analysis
1	A Counsellor may be required to make children stress free and to give them emotional maturity.	Our institute has appointed a psychologist in the campus. Students can avail the facility whenever in need.	Students became stress free and to concentrate and complete their academic work on time.
2	To stop the absence from the classes by the students.	Hostel warden / caretakers are instructed to monitor those students remain in the hostel during academic hours. Students are permitted to remain in the hostel only on the health ground.	Students attended the lecture classes regularly.
3	As the students is having skin problems, parents asked for change of room to downstairs.	Students can bring their problems to the hostel warden and as per vacancy available the student scan shift rooms with prior permission from staff in charge / warden of the hostel.	Their problems were solved.
4	Students were not able to complete clinical case on time.	Students are instructed to complete their laboratory procedures before in hand and to get approval from concerned faculty.	Patient get service at the earliest and students were able to complete their work on time.
