## Institution's Innovation Council 6.0

### Annual Report

### Academic Year 2023-24

Ministry of Education (MoE), Govt. of India has taken initiative to establish MoE's Innovation Cell (MIC) to inculcate the culture that will foster innovation in Higher Education Institutions (HEIs). The MIC nurtures the entrepreneurial skills among young minds by encouraging them to have innovative ideas and transforming them to prototypes. MIC has envisioned to have Institution's Innovation Council (IICs) across HEIs in India and ensure active IIC by constant guidance and recommendation through IIC portal. In SVDC, IIC has been established in the year 2023.

### Vision

Institution's Innovation Council (IIC) cell aims to promote creative and innovative educational system by creating opportunities for the students to participate in various activities organized by IIC cell and also frame the culture of start-ups and entrepreneurial ventures. To create entrepreneurship opportunities for students, faculty and Research Scholar.

## Mission

- To conduct several awareness programs, field visit to incubation centres and lectures on ideation, innovations and prototyping. To identify the budding talents of Sri Venkateshwaraa dental college and guiding them to convert their ideas to prototype to bring out novel ideas in dental field
- To organize both national level events like., seminars, conferences, workshops and experts talk on contemporary scientific ideas periodically to stimulate the creative thinking skills.
- To collaborate within and outside of the University at numerous educational institutions at national and global platforms to accelerate various advanced professional development skills through field trip, incubation centre visit and science exhibition.

## Objectives

- ▶ To foster the culture of innovation among the student systematically.
- ▶ To inculcate a culture of innovation and entrepreneurial skills among students to develop successful startups.
- ▶ Conduct periodic lectures, workshops, seminars, interactions with entrepreneurs, investors, professionals to create a mentor pool for student innovators.

## Journey of IIC-SVDC

### Journey of IIC established at the Institute

The journey of IIC at SVDC is very enriching. Institution innovation council was established in the year 2022. The internal members- faculties and students are consistent in conducting the IIC recommended "My calendar activities" and celebration days in order to foster the culture of innovation and ideas and are motivated through different activities as listed in "My calendar Activity" of the institution innovation council. The external members including technical side, technological experts and the entrepreneurs also add value to the initiatives. Through the council meeting all had given their insights on effective implementation of IIC activities and attainment of vision and mission of our IIC. The institute is taking many measures in synchronization with the IIC to develop entrepreneurial ecosystem.

### Diversified representation in the IIC established at the institute from industry, Inter-disciplinary & Departments/ Units etc.

The IIC of our Institute comprises of a diversified combination of academicians (from Engineering, Nursing and other Paramedical Discipline)

## Innovation Ambassador Training

IIC members attended the training sessions on varied topics. It was followed by online .

Nominated faculties completed the **BASIC** (foundation) level training.

Two faculties completed the **ADVANCED** level of training.

**RESKILLING** -Ongoing.

The following IIC members have successfully completed the training of Innovation Ambassador (Foundation Level) conducted by MoE's Innovation Cell & AICTE from August 2024.

### BASIC LEVEL INNOVATION AMBASSADOR TRAINING

All the activities were organised by the Institute Innovation Council during this IIC6.0 Academic Year. All the activity reports were uploaded in the IIC portal regularly.

## 1. NISP POLICY:

The National Innovation Startup Policy (NISP) is adopted by SVDC. Policy based on Innovation and Entrepreneurship was developed with action plan, key process indicators and milestones. Dr. Suresh, Professor, oral and Maxillofacial Surgeon nominated as NISP coordinator by the President of IIC, SVDC.

## 2. YUKTI Innovation and Invention Repository (YIIR)

The YUKTI Innovation and Invention Repository is updated with ideas of students. Regular orientation program were conducted for faculties and students. Two scouting ideas (TRL 1-3) from student were uploaded in the IIC portal the student ideas were reviewed by the Dr. Devameena, convener of IIC.

## 3. Infrastructure and Facility

A well-equipped Central research lab with facilities for research purpose is situated in Sri Venkateshwaraa Medical campus. The lab facilities can be utilised for technology transfer by all the departments of dentistry. Pre incubation facility is situated in 4th floor of SVDC campus with well ventilated 600 square feet room, two nominated staffs with documentation facilities are provided for effective functioning of IIC. Entrepreneur Development cell (EDC) were formed and three faculties were nominated.

## 4. Ministry of Small and Medium Entrepreneurs (MSME)

SVDC has registered Ministry of Small and Medium Entrepreneurs as knowledge agency.

## 5. Collaboration With I&E Eco System Enablers:

Sri Venkateshwaraa Dental College has collaboration with various ecosystem enablers. The various MOU acts as accelerators are as follows

1. Vinayaka mission Sankarachariyar Dental College, Salem, Tamilnadu
2. Sri Ramachandra Institute of Higher Education and Research, Chennai, Tamilnadu
3. Satya Special school, Puducherry
4. YOGA Wellness centre, Puducherry
5. LASER
6. Dentart Dental Lab, Puducherry
7. Adhiparasakthi Dental College, Melmaruvathur, Tamilnadu.
8. JJM health solutions, Puducherry.
9. Sri Chithirai Thirunal Research institute.
10. ATAL incubation centre, Pondicherry technological university.
11. Saveetha Engineering college, Puducherry.

## 6. Courses on Innovation and Entrepreneurship:

SVDC has conducted non academic courses for the year 2024. The course was conducted for undergraduate interns every Friday afternoon from 16.3.2024 to 26.7.2024 which covers the total 20 contact hours.

## 7. Mentorship of ATL Atal Tinkering lab:

SVDC has established ATL mentorship in Jawahar Navodhya Vidhyalaya School, Periakalpet, Puducherry as Mentor Institute. Mentoring activities are to be planned and executed in the next Academic year 2024-25.

## Testimonial

### **Dr. Senthilnathan, MDS**

**Principal, SVDC**

**President, IIC**

The workshops, mentorship programs, and lectures organized by IIC have provided students and faculties invaluable opportunities to enhance their technical and leadership skills.

### **Dr. Devameena, MDS**

**Convenor, IIC**

"As a convenor of the Institution Innovation Council (IIC), I have witnessed transfiguring impact in dental academic program where IIC has nurturing a culture of innovation and entrepreneurship in our academic community. Through the IIC's initiatives, we are not just learning but actively contributing to the innovation ecosystem. I am proud to be part of an institution that places such a strong emphasis on creativity, problem-solving, and sustainable development."

### **Ms. Molisha**

**Student Member, IIC.**

The Institution Innovation Council has been a constant support reaching out to us and helping students to build a community fostering new ideas and values.
