## INTERNAL QUALITY ASSURANCE CELL EVENT REPORT

### SUMMARY of the program

Department of Oral Pathology of SVDC organized I BDS ORIENTATION PROGRAM- EMPOWERING THE STUDENTS. It was organized mainly for the 1<sup>st</sup> year BDS students of Sri Venkateshwaraa Dental College. The program started by inviting the Principal of SVDC Dr.S.Senthilnathan, all the faculties of various departments and interns. The gathering was welcomed by Dr.Ahila, followed by Lectures by Internal Faculty Members. Students were also illuminated regarding the importance of each topic and given glimpse to improve their personality development with valuable determinants. This orientation program by department of Oral pathology & Microbiology organized mainly to inculcate interest among I BDS students in both academics and clinical skills. Further exciting courses will also be provided by department to enrich the students in curricular activities.

presentations. Followed by Presentation on "Introduction to Seminar and Journal presentation" by Dr. Hariharasudan and Introduction to Dissertation, LD Copyrights and Patents by Dr. Hidhaya. After the presentation, each of the presenters was encouraged by giving the CERTIFICATE OF APPRECIATION. The program ended by the VOTE OF THANKS given by Dr. VARSHA MURTHY.

### Feedback analysis/ interpretation and future action plan for further improvement in Quality

Feed backs with analysis – Feedback analysis was done by the SAF committee. The audience found the program to be informative. It was suggested to improve upon clarification of the queries

#### Future plans by SAF committee

1. To motivate the students to excel in clinical and academic skills.
2. To motivate the students to do paper, e-poster presentation in Conferences
3. To motivate students to do table clinics.
4. To motivate students to do symposium and Debate.
5. To conduct CDE programs to empower the students.

Please ensure if the following enclosures have been attached.

## INTERNAL QUALITY ASSURANCE CELL EVENT REPORT FORM

### Detailed report of the program

Scientific and Academic forum committee of SVDC organized CLINICAL SOCIETY MEETING on 18.04.2024. It was organized mainly for the Interns, Final years and Post graduates of Sri Venkateshwaraa Dental College. The program started by inviting the Principal of SVDC Dr.S.Senthilnathan, Vice Principal-Dr.Sudhakar and Dr.Yuvaraj, all the HODs and faculties of various departments and interns By Dr.vineeth kumar , Secretary, SAF. Followed by post graduates presentation and After the presentation, each of the presenters was encouraged by giving the CERTIFICATE OF APPRECIATION. The program ended by the VOTE OF THANKS given by Dr. VARSHA MURTHY.

### Feedback analysis/ interpretation and future action plan for further improvement in Quality

Feed backs with analysis – Feedback analysis was done by the SAF committee. The audience found the program to be informative. It was suggested to improve upon clarification of the queries

#### Future plans by SAF committee

1. To motivate the students to excel in clinical and academic skills.
2. To motivate the students to do paper, e-poster presentation in Conferences
3. To motivate students to do table clinics.
4. To motivate students to do symposium and Debate.
5. To conduct CDE programs to empower the students.

Please ensure if the following enclosures have been attached.

### Enclosures Check List

Invitation/ Brochure/ Circular	Brochure	Analyzed feedback report in graphical form	Enclosed
Sample certificate	enclosed	Geo-tagged good quality photographs (enclose separately as attachment as well as in word document with legends)	Enclosed
Sample feedback form	Enclosed	Any other (Please type here)	-

### Detailed report of the program

Scientific and Academic forum committee of SVDC organized CLINICAL SOCIETY MEETING on 18.06.2023. It was organized mainly for the Interns, Final years and Post graduates of Sri Venkateshwaraa Dental College. The program started by inviting the Principal of SVDC Dr.S.Senthilnathan, Vice Principal-Dr.Sudhakar and Dr.Yuvaraj, all the HODs and faculties of various departments and interns By Dr.vineeth kumar , Secretary, SAF. Followed by guest speaker "DR.KRISHNAN" about role of dental surgeons in oral cancer prevention and diagnosis then followed by faculties presentation. After the presentation, each of the presenters was encouraged by giving the CERTIFICATE OF APPRECIATION. The program ended by the VOTE OF THANKS given by Dr. VARSHA MURTHY.

Feedback analysis/ interpretation and future action plan for further improvement in Quality

## INTERNAL QUALITY ASSURANCE CELL EVENT REPORT FORM

### Detailed report of the program

Research Committee and Undergraduate research cell of SVDC organised Research Methodology for the undergraduates of SVDC. The event was held on 26<sup>th</sup> & 27<sup>th</sup> June 2023. On the 26<sup>th</sup> June, the program started with brief opening about research by the MC, Dr.Srilekha after which Dr.Bindu introduced the first speaker for the day, Prof. Nagesh sir, who delivered the lecture on introduction of research. He gave his insights on how the research is very important in the present world and how they are useful from the undergraduate level. Followed by this, the event was inaugurated by MC Dr.Srilekha, Dr.Bindu welcomed the gathering. Chief Operating Officer and Principal of SVDC felicitated the speakers and the gathering. Then the gathering broke for tea. After which the session started with the lecture on research designs by Dr.Nagesh sir, where he had stressed on the various type of designs and also how to categorise the research designs. Dr.Nagesh sir continued the session on how to design the research question and how to frame the research question according to the study (PICO, PICOT AND PO), research hypothesis and null hypothesis. A practical question was put forward to the audience to frame the question. The session broke for lunch. After which Dr.Shyam Sivaswamy delivered the lecture on fundamentals of data. He explained in detail about various types of data acquired and how they have categorised the data. Further which Dr.Shyam gave insights of various funding opportunities for undergraduate research. He had stressed on how to apply for funds and what are the studies that can be accepted by ICMR STS. Certificate of Appreciation was given to Prof/Dr.Shyam for conducting this event. The day ended with the recap of the session. On 27<sup>th</sup> June, the program was recapped with the previous day session. The lecture was delivered by Dr.Nagesh sir on various methods of sampling in research. Sir stressed on different methods of sampling and various methods of sampling. The session broke for tea. Followed by Nagesh sir lecture on how to draft a proposal and the ways of writing the proposal. Followed by Dr.Vidya delivered lecture on how to write the manuscript for the journal. Dr.Vidya had stressed on how to follow the journal instructions and how the manuscript has written. She explained the detail on each and every component of the manuscript which was given by the journal instructions. After which Dr.Vidya stressed on the overview of publication process. The advantages of the publication process and rejections of publications was stressed by Dr.Vidya. She explained in detail the causes for rejections made for the publication. The session was recapped what had been covered for 2 days. Finally the valedictory function was conducted and vote of thanks

### SCHEDULE

**Day 1: 26.06.2023 (MONDAY)**

Time	Session
9.00 A.M - 10.15 A.M	Introduction to the world of Research
10.15 A.M - 10.45 A.M	Inauguration and Tea Break
10.45 A.M - 11.00 A.M	Hands on Session
11.00 A.M - 11.45 A.M	Overview of Research Designs
11.45 A.M - 12.00 Noon	Hands on session
12.00 Noon - 12.45 P.M	Framing the right research Question
12.45 P.M - 01.00 P.M	Hands on session
01.00 P.M - 02.00 P.M	Lunch
02.00 P.M - 02.45 P.M	Fundamentals of Data
02.45 P.M - 03.00 P.M	Hands on Session
03.00 P.M - 03.30 P.M	Funding Opportunities for Undergraduate research
03.30 P.M - 04.00 P.M	Wrap-up session

**Day 2: 27.06.2023 (TUESDAY)**

Time	Session
09.30 A.M - 09.45 A.M	Recap Session
09.45 A.M - 10.45 A.M	Sampling Methods in Research
10.45 A.M - 11.00 A.M	Hands-on session
11.00 A.M - 11.45 A.M	Drafting a Research proposal
11.45 A.M - 12.00 Noon	Hands on Session
12.00 Noon - 01.00 P.M	Drafting a Manuscript for Scientific journal
01.00 P.M - 02.00 P.M	Lunch
02.00 P.M - 02.45 P.M	An overview of Publication process
02.45 P.M - 03.15 P.M	Wrap-up session
03.15 P.M - 03.30 P.M	Feedback
03.30 P.M - 03.45 P.M	Valedictory

Resource Persons involved					
S no	Name	Designation	Affiliation	Email id/ Phone numbers	Topic taken
1	Dr.Nagesh L	Prof. Emiritus	Institute of Public Health, RGUHS Bangalore	drlnagesh72@gmail.com	Introduction to world of research Over view of research designs Framing the right research question Sampling methods in research Drafting research proposal
2	Dr.Umesh Wadgave	Professor	Freelance Reasearch and Biostastics Consultant	Umeshwadgave@gmail.com	Fundamentals of data Funding oppurtunities for undergraduate research

### Detailed report of the program

Research Committee of SVDC organised Research Methodology for the postgraduates of SVDC. The event was held from 29.01.2024 to 31.01.2024. On the 29<sup>th</sup> Jan, the program started with brief opening about research by the MC, Dr.Kuldeep after which Dr.Bindu introduced the first speaker for the day, Porf. Nagesh sir , who delivered the lecture on introduction of research . He gave his insights on how the research is very important in the present world. Followed by this , the event was inaugurated by MC Dr.Sobhana, Dr.Bindu welcomed the gathering. Chief Operating Officer and Principal of SVDC felicitated the speakers and the gathering. Then the gathering broke for tea. After which the session started with the lecture on research desgins by Dr.Nagesh sir , where he had stressed on the various type of designs and also how to categorise the research designs. Dr.Nagesh sir continued the session on how to design the research question and how to frame the research question according to the study (PICO,PICOT AND PO), research hypothesis and null hypothesis.

PRINCIPAL

## INTERNAL QUALITY ASSURANCE CELL EVENT REPORT FORM

A practical question was put forward to the audience to frame the question. The session broke for lunch. After which Dr. Umesh delivered the lecture on fundamentals of data. He explained in detail about various types of data acquired and how they have categorised the data. Certificate of Appreciation was given to Prof/Dr. Umesh for conducting this event. The day ended with the recap of the session. On 30<sup>th</sup> Jan, the program was recapped with the previous day session. The lecture was delivered by Dr. Nagesh sir on various methods of sampling in research. Sir stressed on different methods of sampling and various methods of sampling. The session broke for tea. Followed by Nagesh sir lecture on how to draft a proposal and the ways of writing the proposal. Finally the valedictory function was conducted and vote of thanks

### Feedback analysis/ interpretation and future action plan for further improvement in Quality

Feed backs with analysis – Feedback analysis was done by the research committee. The audience found the program to be informative. It was suggested to improve upon clarification of the queries.

Please ensure if the following enclosures have been attached.

### Summary of the report

One day hands-on workshop on basic Implantology was conducted on 7<sup>th</sup> November 2023 at SRI VENKATESWARAA DENTAL COLLEGE, Ariyur, Puducherry. The program was organized by department of Oral and Maxillofacial Surgery and sponsored by STRAUMANN IMPLANTS. Program started with a series of lectures on basic implantology, followed by live surgery demo on implant placement using 3D surgical guide and hands-on placement on Styrofoam model by participants in the post lunch session. Around 100 participants benefited from attending the workshop.

### Press Release / Weblink (If Any):

Empty box for Press Release / Weblink (If Any).

### Summary of the report

*(in minimum 150 words, in a prose format for web information, social media and press)*

A capability enhancement program for post graduate students and teaching faculties was organized by Post-Graduate Studies and Dental Education Unit of Sri Venkateshwaraa Dental College, Ariyur on 25<sup>th</sup> February 2024 from 9:00 am to 4:00 pm. It was a one-day hands-on workshop on "Do it yourself/DIY dental photography". The workshop began with a welcome address by Dr Gayathri, Professor, Dept of Periodontology, Introduction of the speaker by Dr Varsha, Vice Principal-PG studies followed by the felicitation of Dr Praveen Rajesh, the Course director by Dr Senthilnathan, the Principal, SVDC. The forenoon session included the theoretical basis of photography and various cameras while demonstrating the practical aspects. In the afternoon session, participants tried their hands at taking intra and extra oral dental photographs. The day ended with the vote of thanks by Dr Varsha.

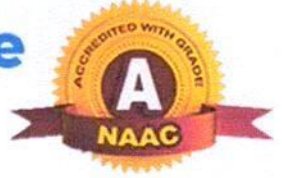

### Feedback analysis/ interpretation and future action plan for further improvement in Quality

Feedback Analysis: The content and clarity of the presentation was found to be satisfactory by the participants.

Future action plan: To provide more training to the teaching faculty in implementing the new curriculum.

Please ensure if the following enclosures have been attached.

## Summary of the report

A 1-day workshop on facial esthetics entitled **“SV-FACE” (SRI VENKATESHWARAAA – FACIAL AESTHETICS AND COSMETOLOGY EDUCATION)** was conducted on 24<sup>th</sup> February 2024 at SRI VENKATESHWARAAA DENTAL College, Ariyur, Puducherry. The program was organized by department of Oral and Maxillofacial Surgery, SVDC. Facial Esthetic specialists from Chennai, **Dr. Seema Mathew & Dr. Rajprakash** were invited to deliver guest lectures and perform live demonstrations of aesthetic/cosmetology treatment procedures. The program started with welcome address given by Dr.V.Yuvaraj, HOD, Dept. of Oral and Maxillofacial Surgery, SVDC. The dignitaries present on the dais were Dr. S. Sendhilnathan, Principal, SVDC; Dr. Sudhakar, Vice Principal, SVDC; the guest speakers Dr. Seema Mathew & Dr. Rajprakash along with Dr. V. Yuvaraj, Vice principal-clinical and Head of the department, dept. of OMFS. In the morning session, the guest speakers delivered lectures about various aspects of facial esthetics and cosmetology. The post lunch session covered demonstration of facial esthetic procedures on pre-selected patients. The procedures demonstrated were: (a) PRP for hair growth, (b) PRP via Microneedling, (c) chemical Peel, (d) Botox application, (e) Fillers. About 20 postgraduates and delegates observed the procedures directly. The treatment procedures in close-up view were projected “live” for the rest of the audience. **We received registration from 8 colleges and private practitioners from Puducherry and Tamil nadu. Total of 143 participants benefited through this program.** The keener aspects of live demonstration were discussed with the audience and time was allotted for clearing doubts. The event ended with vote of thanks delivered by Dr. Kavitha.

## Detailed report of the program

The celebration of Prosthodontist Day took place on 05.03.2024 at Sri Venkateshwaraa Dental College. The event was primarily organized for the Interns, postgraduates, and Final years. 100 students from SVDC and 40 participants (undergraduate, postgraduates, faculties and practitioners) from various colleges all over India. The program commenced with the presence of esteemed individuals such as Dr. S. Senthilnathan, the Principal of SVDC, Dr. Sudhakar and Dr. Yuvaraj, the Vice Principals, as well as all the faculties from various departments and interns. Dr. Varsha Murthy & Dr. Deeva Meena warmly welcomed the participants, followed by five informative webinars. Dr. Shanmugapriya introduced the speakers in each session. The first session focused on Geriatric dentistry, specifically discussing the readiness of the field. Dr. Smitha Athavale led this session. The second session, led by Dr. George P. John, delved into the challenges faced in Geriatric Health Care. Dr. Asha Narde took charge of the third session, which explored Restorative and Endodontic considerations in Geriatric dentistry. Dr. Ishita Paraliker then discussed Geriatric periodontics in the same session. Finally, Dr. Paresh Gandhi concluded the event with a session on Geriatric Implantology. The students actively participated in the webinars and gained valuable knowledge from each session. The program concluded with a Vote of Thanks delivered by Dr. Varsha Murthy, the Professor and Head of the Department of Prosthodontics and Crown & Bridge at SVDC.

### Detailed report of the program

Department of Conservative Dentistry and Endodontics of Sri Venkateshwaraa Dental College, commemorated CONS ENDO DAY 2024, on 14<sup>th</sup> March, 2024. To celebrate CONS ENDO DAY, Department of Conservative Dentistry and Endodontics organised rubberdam placement competition on 13<sup>th</sup> March, 2024. This competition was held for clinical undergraduate students. The time allotted for this competition was 20 minutes, and the competition was judged by Dr. Bindu (Professor) and the prize winners were awarded on 14<sup>th</sup> March. On 14<sup>th</sup> March, dept of Conservative Dentistry and Endodontics organised a hands on workshop in rubberdamology. This clinical skill enhancement program was targeted for the faculty, postgraduate students, clinical students, and private practitioners. This event was sponsored by Coltene. The session started by introducing the speaker by Dr. Bindu. The introductory lecture was about the importance of Rubber dam which was, delivered by Dr. Bejoy Mony, where he had stressed on the placement of rubberdam during operative or esthetic or endodontic procedure. Followed by brief inauguration by felicitation of the resource person and sponsorer. The inauguration was graced by the Vice Principals, Dr. Yuvaraj and Dr. Varsha Murthy. The gathering was welcomed by the Head of the Department of Conservative Dentistry and Endodontics. The ceremony was modulated by Dr. Pavithra, as the Master of Ceremony. After the inauguration, the session broke for tea. Then the session was resumed with the lecture on patient management while placing the rubber dam. Explained in detail about the selection of clamps, inversion technique of the rubberdam placement, isolation for indirect restoration and various modification of the clamps used. After which, the resource person showed the video demonstration of different techniques rubber dam placement. Followed by hands on in Preclinical Conservative Lab, for rubberdam placement technique. The valedictory and certification was distributed and vote of thanks was delivered by Dr. Pavithra. Feedback was taken verbally and online format and was analysed.

### Resource Persons involved

S no	Name	Designation	Affiliation	Email id/ Phone numbers	Topic taken
1	Dr.Vandana james	PROFESSOR	Dept of Conservative Dentistry and Endodontics, Tagore Dental College, Chennai	-	Minimal invasive Dentistry

### Detailed report of the program

The program started with welcome note given by Dr.D.S.Dinesh HOD, Dept of Conservative dentistry and Endodontics, SVDC. The introductory note about the speaker was given by Dr.Bindu meera john, Professor, Dept of Conservative dentistry and Endodontics, SVDC. This was followed by lecture by Dr.Vandana James on ROTARY ENDODONTICS. The lecture was very informative and illustrative to the audience. Audience was very well interactive with the speaker. Following the lecture, Handson course was conducted. The program concluded by distribution of certificate and memento to the presenter by Dr.S.Senthilnathan (Principal). Vote of thanks was given by Dr. Srilekha J, Reader, Dept of Conservative dentistry and Endodontics, SVDC. The program was informative and enlightening.

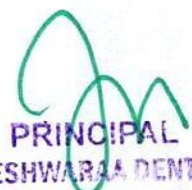

### Feedback analysis/ interpretation and future action plan for further improvement in Quality

Feed backs with analysis – Feedback analysis was done. The audience found the program to be informative.

#### Future plans

1. To conduct more workshops on different aspects of Rotary endodontics
