ANNUAL REPORT

INTRODUCTION:

Sri Venkateshwaraa Dental College (SVDC) was established under Ramachandra Educational Trust (RET) in the academic year 2014-2015. The college is located in Ariyur, Pondicherry in an eco-friendly environment within a 5-Acre campus with a built-up infrastructure of 1,50,000 sq.ft. SVDC is an ISO accredited institution (ISO 21001: 2018), approved by the Dental Council of India and is affiliated to the Pondicherry University. SVDC has been graded 'A' in National Assessment and accreditation council NAAC. Goal of SVDC is to upgrade dental education and to provide distinguished knowledge and comprehensive coaching to students which would foster them to cope with the current professional and scientific challenges. Highly competent faculties, excellent education, advanced research and superior patient care draws the most worthy students to this institution. The Ministry of Health and Family Welfare, Government of India, New Delhi had approved the Dental College for an annual intake of 100 students every year for the course of BDS. An undergraduate (BDS) program of 4 years followed by one-year compulsory rotatory internship (Total 5 Years) will lead to completion of BDS degree. College strictly follows the MDS curriculum as drafted by the Dental Council of India. The college offers MDS courses of various specialties in Dentistry that include Conservative Dentistry and Endodontics, Prosthodontics and Crown & Bridge, Oral & Maxillofacial Surgery, Periodontology, Pedodontics and Preventive Dentistry, and Orthodontics and Dentofacial Orthopedics. As per Dentists Act 1948, admission to BDS and MDS Courses should be NEET Eligible and the counselling process organized by the authorized committee (CENTAC-Centralized Admission Committee) for government and Management seats according to the mark basics. SVDC uses the 1150-bedded Hospital of Sri Venkateshwaraa Medical College Hospital and Research Centre, for teaching and training of the dental students in Pre-clinical, Para-clinical and Allied medical Sciences. Education plays a diverse role in society which includes Social, Economic, Professional and Personal fields. Education is important in promoting sustained, inclusive and equitable economic growth and sustainable development. Education is central to development and the improvement of youth by activating them to survey various prospects that would enable them to face challenging situations. Holding this in view, our college aims at relying upgraded education to entitle students to contribute towards a final society. SVDC strives towards providing distinct education theoretically, practically and clinically to practice dentistry ethically and efficiently.

The teaching faculties and the infrastructure facilities adds on to an ideal training process for the Undergraduate and Postgraduate students in which research work is also been encouraged and is given uppermost priority. SVDC thus created an atmosphere for the students to stride towards success.

In the academic year 2023-2024, there was a total strength of 329 students in MDS and BDS programs. The institution has attained 75% result for the MDS program, followed by 96%, 92%, 100%, 98% for BDS 1st, 2nd, 3rd, 4th year respectively. Various add on and value added courses were conducted for the benefit of the students to envision them in their curricular activities. Many scientific articles were published, both Nationally and Internationally by the faculties of SVDC during the academic year of 2023-2024. As an attempt to broaden the service and the values, the institution has established memorandums of understanding with various organizations. Soft Skills, Yoga and Wellness, Personality and Professional Development were organized as co-curricular activities for the welfare of the students. Special Dental Camps were organized along with extensive activities on commemorated Days. Faculties of SVDC were acknowledged with Faculty Awards for the year 2023-2024.

CURRICULAR ACTIVITIES

The curriculum is planned according to Pondicherry University norms. Special attention is being paid for slow learners through revision test and special classes. During covid 19 context, online classes were provided to the students through ZOOM and GOOGLE MEET. Tests were conducted daily through GOOGLE FORMS as MCQs. Theory and Practical model exams are conducted in regular term interval according to PU exam pattern allowing the students to have a better view about the time management. Webinars and Clinical Society Meet are organized by various departments to improve the clinical competencies of the students. Regular Workshops are organised in recent trends to cater to the learning and professional needs of the students. College provides E- library facilities with advanced infra-structure along with a conventional library setting for the students and staffs. An exclusive state-of- art journal room in the library is resourceful for the students and the faculty to be abreast of the recent advances in the profession.
