ABOUT THE SPEAKERS

Dr. Aarthi Bhuvaraghan, MDS, MFDS RCSEd , PhD

Professor, Department of Oral Medicine and Radiology,
Sree Balaji Dental College and Hospital, Chennai

Dr. Aarthi Bhuvaraghan is a distinguished Oral Medicine and Radiology specialist with extensive international academic and clinical experience. She completed her BDS and MDS from Mahatma Gandhi Postgraduate Institute of Dental Sciences, Puducherry, securing a Gold Medal and University Top Rank in MDS. She further pursued her PhD at the University of Leeds, UK, with a focus on antimicrobial stewardship in dentistry.

She has served as a Clinical Teaching Fellow at the University of Manchester, UK, and has worked across NHS and leading academic institutions in both the UK and India. Her research interests include antimicrobial resistance, antibiotic stewardship, and oral-systemic health, with key collaborations involving the University of Leeds and the WHO Collaborating Centre (Nuffield Centre for International Health and Development).

Dr. Aarthi has authored several high-impact publications, including systematic reviews in reputed international journals, and is actively involved in Cochrane Oral Health collaborations. She has received multiple accolades, including Best Scientific Paper Awards at national conferences. She is currently engaged in advancing research and initiatives aimed at optimizing antibiotic use in dentistry, contributing significantly to translational research and global oral health.

Dr. Monica Dev D.S., BDS, PhD

Project Research Scientist III (Medical) | National Health Research Priority
Indian Council of Medical Research & Department of Emergency
Medicine and Trauma, Jawaharlal Institute of Postgraduate
Medical Education and Research Institute (Institute of National Importance), India

Dr. Monica Dev D.S completed her Direct PhD in Dentistry (Cleft Lip and Palate) under the prestigious ICMR Nurturing Clinical Scientists Fellowship, securing a competitive research grant of ₹39 lakhs as Principal Investigator. Her doctoral research focused on behavioral problems and quality of life among children and adolescents with cleft lip and/or palate using a mixed-methods approach.

She is currently serving as a Project Research Scientist (Medical) at the Indian Council of Medical Research (ICMR) in collaboration with JIPMER, with prior experience at ICMR Headquarters, New Delhi, and AIIMS, New Delhi under the National Oral Health Programme. Her research interests include cleft care, public health dentistry, implementation research, emergency care systems, and non-communicable diseases.

Dr. Monica has presented her work at several prestigious international scientific forums including IADR (Singapore & Vancouver) and the European Cleft Palate Craniofacial Association, and has received multiple international travel grants. She has numerous peer-reviewed publications and a recent patent to her credit, reflecting her strong contribution to academic and translational research.

PROGRAM SCHEDULE

TIME	TOPIC	SPEAKER
9.15 AM	REGISTRATION	
9.30 AM	Research for Interns: From Idea to Indexed Publication	Dr.Monica Dev.D.S.
11.00 AM	Break	
11.15 AM	Stewardship Starts with Students: Promoting Responsible Antibiotic Use in Dental Education	Dr. Aarthi Bhuvaraghan
01.00 PM	Valedictory Function
